QATAR AIRWAYS PROVIDES SERVICE TO 28 DESTINATIONS IN AFRICA

As travel restrictions ease, Qatar Airways is restoring its services to all its African destinations and expanding its network. Following the relaunch of flights to

Khartoum (KRT) today, as well as **Kano (KAN)**, **Port Harcourt (PHC)**, and **Luxor (LXR)** launching in March, the airline will provide 213 weekly flights to 28 destinations in Africa.

In addition, Qatar Airways is extending its commitment to the continent by increasing frequencies to some key destinations over the summer such as **Harare (HRE)**, **Lusaka (LUN)** and **Maputo (MPM)** ramping up to a daily schedule.

KRT
Daily flights

KAN via ABV
4 weekly flights

PHC via ABV
3 weekly flights

LXR
2 weekly flights

MPM
From 5 to 7 weekly flights this summer

LUN & HRE
Daily flights

We continue offering **guaranteed flexibility** for travel completed by September 30, 2022.

48 hours in Doha

When it comes to planning a stopover for your clients in Doha, there is much to consider. From exhilarating desert activities to immersive art experiences and memorable, indulgent dining - there's something for every traveler to enjoy. To make it a little easier, we've curated a 48 hour itinerary so you can make the most of your client's stopover in Qatar.
