Jeju Air flights now at Terminal 2 in Kansai International Airport (KIX)

It is a pleasure to inform you that Jeju Air flights will be departing and arriving at Terminal 2 in Kansai International Airport (KIX) effective 01 April 2023.

Jeju Air have used Terminal 1 due temporarily used for quarantine during Covid-19 and we will be reinstated to Terminal 2 from April. This update is well reflected on GDS, and please notify customers to take note of this change, which come into effect on April 1, 2023.

Please be aware that all transfer passengers must enter Japan due to the lack of facility in Terminal 2 for transfer.
