Reservation Reminders (Special Requests Status)

Dear Travel Partner,

For our mutual clients' seamless travel experience, China Airlines would like to remind you to verify the status of any special requests such as seat assignments or any other special requests (e.g. meal preferences...etc.) made by the passengers. If there have been any changes made to the original booking, please ensure that these preferences are reconfirmed as needed after the completion of the flight segment changes.

Your attention to this matter is highly appreciated,

Thank you for your continued support of China Airlines.
